## 4. Application

This bylaw applies to Ashburton District.

## 5. Definitions

In this bylaw, unless the context otherwise requires:

**Animal** means stock, poultry and any other animal that is kept in a state of captivity or is dependent upon human beings for its care or sustenance.

**Feral animal** refers to an animal in a wild state, not domesticated or cultivated

**Nuisance** means, without limiting the meaning of the term “nuisance”, any unreasonable interference with the peace, comfort, health or convenience of another person, whether by way of excessive noise or offensive odours, and includes a nuisance as defined in section 29 of the Health Act 1956, shall include but not be limited to the meaning assigned to it by the Health Act 1956 Section 29 its amendments and/or re-enactments.

*Explanatory Note: Nuisance caused by dogs is regulated in the Dog Control Bylaw.*

**Pet** means a domestic or tamed animal or bird kept for companionship or pleasure. This excludes feral or farmed animals and domestic livestock kept primarily or partly for the purpose of commercial gain as defined in the Ashburton District Plan 2014.

**Poultry** means any live domesticated bird including but not limited to, domestic fowls, ducks, geese, turkeys, guinea-fowl, pheasants and pigeons.

**Urban area** means properties any area not within rural A, B and C zones of the Ashburton District Plan.

**Stock** has generally the same meaning as the Dog Control Act 1996 but for the purpose of this bylaw excludes pigs and possum and includes ~~but is~~ (not limited to):

- (a) Any live horse, cattle, sheep, ~~swine~~, alpaca, llama, bison, donkey, hinny, mule, or water buffalo that is not in a wild state:
- (b) Any deer, goat, tahr, rabbit, ~~possum~~, or other animal that is kept within a fence or enclosure for domestic or farming purposes.

## 6. Noise Nuisance from animals, birds, or poultry

No person shall keep within or upon any premises in an urban area any noisy animal, bird, or poultry which shall be or cause a nuisance to occupiers of other properties in the neighbourhood.

## **6.7. Pig keeping**

~~6.1.7.1.~~ No person shall keep or allow, permit or suffer pigs to be kept upon any property in an urban area. Elsewhere in the District no pigs shall be kept upon any property except in accordance with the provision of the District Plan and provisions of the Resource Management Act 1991, its amendments and re-enactments and all other relevant enactments.

## **7.8. Stock in urban areas keeping**

~~7.1.8.1.~~ No person shall keep or allow, permit or suffer any stock to be kept or to remain on any property within an urban area, other than areas zoned Residential D under the Ashburton District Plan, without the prior written consent of and licence issued by the Council subject to such conditions as the Council may impose.

~~7.2.8.2.~~ In considering an application for a stock licence the Council shall give due consideration to the opinions and submissions of the occupiers of neighbouring properties.

~~8.3.~~ The Council may specify the number of stock permitted to be kept on or upon any property pursuant to a stock licence. It shall be an offence against this bylaw to exceed any restrictions as to numbers or other conditions imposed with such a licence.

~~8.4.~~ A stock licence may be forthwith revoked by the Council should any stock to which that licence applies wander off the property on which they are kept, create a nuisance, cause any damage to property, exceed the maximum number of stock permitted upon the property pursuant to the licence or if any of the conditions of the licence are not met in full or the holder of the licence has been convicted of an offence under the Animal Welfare Act 1999 its amendments or re-enactments.

~~8.5.~~ Template licence conditions are provided in the Bylaw Advisory Note (First Schedule) and may be varied at Council's discretion.

~~7.3.8.6.~~ The fee payable for any licence issued shall be as Council shall by resolution prescribe.

~~7.4.8.7.~~ Where any stock is kept in a building, the building shall be constructed or made to comply with all relevant provisions of the Building Act 2004.

## **9. Moving of stock in urban areas**

~~9.1~~ Regulation on the driving of stock in urban areas is stipulated in section 21.6 of the Ashburton District Council Transportation and Parking Bylaw.

~~9.1.9.2~~ The riding or leading of a horse in an urban area is permitted on the road, not on any footpath or berm is not permitted and may, at the discretion of the Council, result in the stock licence issued in respect of the keeping of the that horse in the urban area being revoked.

~~9.3~~ Any person having control of stock or animals on roads in an urban area:

- ensure that the stock or animals are kept under proper control; and
- immediately remove, and appropriately dispose of, any manure deposited in an urban area.

## **8.10 Poultry keeping**

10.1 No person shall keep or allow, permit or suffer any poultry to be kept or to remain on any property within an urban area unless compliant with the following conditions;

10.2 The maximum number of poultry permitted on any property in an urban area is 12 as stated in the District Plan (Definitions Domestic Livestock).

~~8.1.10.3~~No person shall keep poultry except in a properly constructed poultry house. Every poultry house shall be properly constructed and covered in with a rainproof roof and provided with a floor of concrete or other material approved by Council. It shall be maintained in good repair in a clean condition and free from any offensive smell or overflow and free from vermin.

10.4 No poultry house or poultry run shall be created or maintained in an urban area any part of which is within 10 metres from any dwelling, factory, or any other building, whether wholly or partially occupied, or within 2 metres of the internal boundary with adjoining premises (or such greater distances as may be required by the provisions of the District Plan and the Resource Management Act 1991).

Note: Setbacks from boundaries and buildings not affected by the District Plan or other requirements may be reduced or exempted by an authorized Council Enforcement Officer where the Enforcement Officer considers the poultry house or poultry run will not result in nuisance.

10.5 Every poultry run of whatever size shall be so enclosed as to confine the poultry within such poultry run it.

## **9.11 Beekeeping**

11.1 Persons keeping bees or suffering or permitting bees to be kept on their property shall ensure that no nuisance is caused to other persons by those bees.

11.2 Where Council considers a hive to be dangerous, offensive or likely to be injurious to people it shall may require removal or relocation of such hive.

11.3 All beekeepers have a legal requirement to register any apiary, as required under the Biosecurity Act 1993, within 30 days of placing beehives on that site. All hives must prominently show the Beekeeper's Registration Number. Registration of beehives is with The Management Agency (National American Foulbrood Pest Management Plan), not the Council.

## **~~10.Noise from animals, birds, or poultry~~**

~~No person shall keep within or upon any premises any noisy animal, bird, or poultry which shall be or cause a nuisance to occupiers of other properties in the neighbour~~

## **12 Keeping of cats**

12.1 Any person keeping, or permitting to be kept any cat(s) must always ensure that:

- any such cat(s) over the age of four (4) months is microchipped and the cat's microchip registered with the New Zealand Companion Animals Register
- any such cat(s) over the age of four (4) months is de-sexed, unless:
  - the cat is kept for breeding purposes and currently registered to breed with a nationally recognised cat breeders' body, or
  - the owner provides a certificate from a veterinarian stating that the de-sexing of the cat will adversely affect its health and/or welfare.

*Existing cat owners shall be granted a transition period from the commencement of this bylaw, during which they are required to desex, microchip and register any cats they already own. This transition period shall extend until January 1, 2027.*

12.2 No person must intentionally feed a cat other than a cat they own, unless it is temporary and for the purposes of trapping or capture, where that feeding

- encourages stray or feral cat populations,
- results in nuisance or fouling, or
- adversely affects wildlife or public health.

### **10.13 - Encouraging nuisances by feral animals**

- 13.1 No person shall provide sustenance, harbourage or comfort to feral animals, including feral cats, so as to cause them to become a nuisance to other persons, except where temporary in nature and associated with capture or trapping operations of the feral animal(s).
- 13.2 Where feral animal (s) cause a nuisance the owner of the property from which ~~they~~ the feral animal(s) emanates shall be required to abate the nuisance caused by the animal(s). Such actions may include but are not limited to:
- claiming the animal(s) as a pet and keep it in such a fashion as to abate any nuisance, or
  - ~~permanently removing it~~ dispose of the animal(s) humanely so it no longer causes a nuisance to others.

### **11.14 Numbers of animals**

- 14.1 No person shall keep or harbour animals in such numbers so as to cause a nuisance to other persons.

## **15 Animals becoming a nuisance or injurious to health**

12.115.1 The owner of any animal (or the owner or the occupier of any premises whereon any animal or animals are customarily kept) shall take precautions to prevent the animal(s), or the keeping thereof, from becoming a nuisance or injurious to the health of the public, including but not limited to being uncontrolled on a public road or other public place.

15.2 If, in the opinion of Council, animals or the keeping thereof on such premises has become or is likely to become a nuisance or injurious to health, Council or any authorised officer may, by notice in writing, require the owner or occupier of the premises within a time specified in such notice to do all or any of the following:

- reduce the number of animals kept on the premises;
- construct, alter, reconstruct or otherwise improve enclosures, fencing or buildings used to house or contain such animals(s);
- require animals to be tied up or otherwise confined during specified periods;
- take such other action as the Council deems necessary to minimise or remove the likelihood of nuisance or injury to health; and
- clean and keep clean areas used by the animals.

15.3 Any person to whom notice is given under the preceding provisions of this clause and who fails to comply with such notice within the time therein may be liable for costs associated with Ashburton undertaking those works under the Local Government Act 2002 (sections 186-187).

## **16 Breach of the Bylaw**

16.1 Where a Person acts in breach of this Bylaw, the Council may apply to the District Court for an injunction as set out in section 162 of the Local Government Act 2002; and

16.2 Every person who commits a breach of any of the provisions of this Bylaw commits an offence and may be liable on summary conviction to a fine of up to \$20,000 as prescribed by section 242 of the Local Government Act 2002.
