COMMUNITY BOARD

BUILDING A STRONGER COMMUNITY

INTRODUCTION

We're starting work on a new community strategic plan for Methven and we need your help. This plan will set out what we as a community would like to achieve over the next 10 years.

This is an exciting opportunity for us, previous plans have been a resounding success and led to improvements such as the redevelopment of Main Street and beautification of the town centre.

The plan will be developed by Methven, for Methven – so it's vitally important that we hear from people who live and work here.

We encourage you to take five minutes to share your ideas on Methven's future and our township's four strategic goals. Everyone who provides feedback will go into a draw to win a scenic flight over Mid Canterbury with Adventure Balloons NZ.

We all know that Methven is a special part of the world, and we look forward to working with our community to shape what the next 10 years will look like for our area.
